3 AFD-172-FGL70.

Sl.No.1. Letter No.BB.13.GFL.82/69-70 dated 16.5.70

of the C.C.F. B'lore

Note.1.

(i) The C.C.F has recommended for grant of 10 acres of land out of S.No. 60 & 61 of Billigerahalli K.R.Pet T.Q. Mandya Dist to Sri L.V. Shivarame Gowda a Surveyor of the Forest Deptt, who has lost his one eye and who has been advised by the doctors to take long rest. The doctors have advised that there is no chance of his getting eye vision in the near future. The applicant is reported to be landless having a large family.

(ii) We may agree with the proposal of C.C.F. Considering sympathetically we may select 10 acres of land out of S.No. 60 & 61 of Billigerahalli K.R.Pet T.Q. in favour of Sri L.V. Shivarame Gowda. A draft G.O. is put up for approval. R.D may also see. 21/s)

for INSRV 23/6/70

Sl.No.2

23/6 The C.C.F. has recommended for the grant of 10 acres of land out S.No.60 and 61 of Billigerahalli K.R.Pet Taluk to Sri L.V. Shivarame Gowda Surveyor of the Forest Deptt since he has lost sight of one eye while in govt service & is landless. C.C.F. may be requested to intimate how the applicant will find finance for cultivation 22) 24/6/70

Note 2

(1) The recommendation of the CCF for release of Land in favour of the Surveyor is on compassionate grounds that the official has lost the vision of an eye, that this is not owing to any accident caused in discharge of duties, the official suffers from an eye disease, which has resulted in losing the vision of one eye. He is on leave @ present and according to the DMS's opinion, he is not likely to regain the sight

(2) The proposal, for Land grant, would be in a way a compensatory measure, which despite the deservingness, is not supported by any rules. As such it may not be possible to concede the request, as a spl. case.

(3) The official may be advised to approach the R.D for the Land grant in the normal course, as he claims to be Land Less. If he is found eligible for grant, and if the R.D recommends the release of the forest Land, Orders may be issued later.

Mr. (Forest)

Note 3 dt 27/6/20

CCF has recommended for 5 Acres. So since he is disabled official who may not retain to duty., 5 Acres Five

...3516...

May be released in this favour. R.D. may take further steps in the matter.

DS) 13/7/70

Ur. Secy. to A&F
No. 3820
13.7.70

Note 5

(1) Since it will not be correct to nominate the grantee in the GO, now - there is any certainty that the applicant would be found eligible for the grant under the Land Grant Rules, after the land is surrendered to R.D — it is for advice & guidance as to the form of GO to be issued in such cases.

(2) So far as the Forest Dept. is concerned, all that is to be done is to dis-reserve the land through an order/notification to be issued under Sec. 28 of the Forest Act, & to surrender it to R.D

AFD. 172. FGL 70.

3870.

6

for disposal under the Land Grant Rules.

Whenever, small extents of forest land are being released on the request of individuals, it has been the practice for mention in the GO, as under below:—

"for considering the request of so & so for grant, under the Land Grant Rules."

(3) Even if such a mention is made in the GO. there is no guarantee that the particular individual would get the land, by virtue of such mention. The land would merge with the pool of available land @ village level and would be disposed of according to the priority & eligibility determined under the rules. In such an event, the very purpose of releasing the forest land gets defeated.

1/11/70

Secy (A&F).

Note.6

Our endorsements below the GO addressed to RD shd specifically state that the land is being deforested & surrendered to RD for considering the request of xyz for grant under the LG Rules & also that if the applicant xyz is not found eligible for such a grant the land may revert to Forest Deptt. We may also request RD to

AFD. 172-FCL 70

keeps us informed about the progress & send a copy of the grant-order when issued. This much pre-caution shd suffice on our part - rest being left to the applicants.

Agriculture and Forest Department,

Bangalore.

Sir,

R. & C. SECTION
Rec. 19797
16 MAY 1970

Sub: Request for grant of land.

Ref: Your memo No.AFD 1868 FB 69 dated 10-4-69.

In enclosing herewith the petition of Shri L.V. Shivarame Gowda, Surveyor dated 2-4-70, I have to state that the Surveyor in his earlier petition ~~xxxrexxxxxxx~~ quoted above has requested for grant of 25 acres either in S.No.89 of Sundally or in S.Nos.60 & 61 of Billigemahalli, K.R. Pet, taluk for cultivation on the plea that he has lost his sight of one eye while in Government service and is landless. As per the medical certificate granted by the Assistant Asso Professor of Opthalmology, Bangalore, Medical College, it is stated that there is no guarantee of his vision. As he has put in very less service in the department, he may not get any pension if he is invalidated.

3312/FB/70

I enclose herewith a copy of letter No.LND.GFL.169/69-70, dated 17-4-69, together with its enclosure received from the Conservator of Forests, Mysore, In the circumstances explained by the Conservator of Forests, and the Divisional Forest Officer, Mysore and since the official is a young man and lost his eye sight of one eye while in Government service, I recommend grant of 10 acres out of S.Nos.60 & 61 of Biligenhalli K.R.Pet taluk, for cultivation purpose in favour of the applicant for earning his livelihood.

Orders of Government in the matter may kindly be communicated.

Yours faithfully,

Dy 16/5

Copy of the letter No.LND.GFL.169/69-70 dated 17-4-69 from the Conservator of Forests, Mysore, addressed to the Chief Conservator of Forests in Mysore, Bangalore.

--

: Request of Sri L.V.Shivarame Gowda, Surveyor, Forest Department (On leave) for grant of land for cultivation addressed tothe Hon'ble Minister of State for Forests, and copy to you and DFO Mysore and this office on 3/69.

--

I enclose herewith letter No.DMN.GNL-128-4466/68-69 dt.31-3-69 received from the Divisional Forest Officer,Mysore(in duplicate) for kind perusal.

The Divisional Forest Officer, Mysore has stated that the above applicant is an official (Surveyor) in his office and he is on leave due to eye trouble and has lost the sight of an eye when he was on Government duty.

Further he reports that the above official has consulted the Eye specialists in Mysore and Bangalore. As per their advise, he had been to Sitapur Eye Hospital which is in Uttar Pradesh for getting relief. Even after prolonged treatment he could not get back the sight in one eye and the doctors have advised him rest for two years.

Further he states that the official is requesting for grant of land about 25 acres of forest land either in Sy.No.89 in Sundahally. Mandya Range or Sy.No.60 and 61 of Biliganahally K.R.Pet Taluk for cultivation purposes and requested to consider the case sympathetically for ~~purposes and requested to consider~~ grant of lands about 25 acres in any one of the said areas. Since the official has lost his eye sight during his service and the official is thinking of discontinuing the service and he is landless. He has a family consisting 5 members.

Order the circumstances explained by the Divisional Forest Officer, Mysore, since the official is a young man and lost his eye

19 +9

No.DMN.GLM. 128-4466/68-69 Divisional Forest Office, Mysore Division
Mysore.5, dated the 31.3.1969

To

The Conservator of Forests
Mysore Circle, Mysore.4

Sir,

Sub:-Request of Sri.L.V.Shivarame Gowda, Surveyor of Forest Department (on leave) for grant of land for cultivation.

Ref:-Application of Sri.L.V.Shivarame Gowda addressed to the Hon'ble Minister for Forests, Bangalore and copied to this office.

.....

The above applicant is a surveyor of this office. Now he is on leave due to eye trouble. He lost the sight of one eye when he was on Government duty.

He has consulted the Eye Specialists at Mysore and Bangalore Also as per this advice he went to Kitapur eye hospital which is in Uttar Pradesh with the hope of getting relief. Unfortunately even after a prolonged treatment, he could not get back the sight in one eye. Doctors have advised him about 2 years rest.

Now he has requested to grant about 25 acres of Forest land either in S.No.89 of Sundahally in Mandya Range or in F.No.60 & 61 of Biliganahally, K.R.Pet Taluk. The other area which he has requested is not in this Division.

In view of the above facts and since the applicant is an official and lost his sight of one eye during his service, his case may please be considered sympathetically for granting the lands out of any one of the above areas, since he has no other lands and as he is thinking of discontinuing the service.

The report is submitted in triplicate for favour of kind perusal.

Yours faithfully,

(B. Baleish)

Sitapur U.P.(India)
Dated: 10-2-69.

Ref. No.EDP-61(PL-480)/68-69.

Shri Shivaram Gowda, aged 30 years (Indoor No.7729-116) was admitted in this hospital on 9-10-1968 as a Eales' patient No.61 with the history of sudden dimness of vision in the right eye in March, 1968 and recurring attacks of haemorrhages in the right eye since then.

On examination the right eye vision was 2/60 and left eye 6/6p. The right eye fundus view was hazy due to vitreous haemorrhage. When the haemorrhage cleared to certain extent retinal haemorrhage coiling and neovascularization were visible in all the four quadrents and retemirable was also visible. The left eye showed minimal early lesion in the upper and lower temporal quadrents. The case was diagnosed as a case of eales disease.

All the investigations, including 17-ketosteroid test, in urine, was done. All the tests were within the normal limits. He was given coagulants corticosteroid and anti-T.B. treatment & premarinraplets.

On 2-11-68 his left eye was photocoagulated. In the right eye when the vitreous haemorrhage cleared sufficiently on 12-11-68 upper temporal quadrant was photocoagulated. After about a week there was a haemorrhage into the vitreous from the neovascularization over the disc. The haemorrhage cleared slightly and second photocoagulation was done in that eye on 12-12-1968. Inspite of it he had small recurrent haemorrhages from the new blood vessels on the disc which unfortunately can not be photocoagulated due to the site.

However, with the medical treatment and the subconjunctival injections of Betnesol he has not had any fresh haemorrhage for about a month and the vitreous haemorrhage is clearing slowly. His left eye is quiet. Since he has been here for a long time he is now discharged from the hospital with the advice to continue the prescribed treatment and have periodical checkups of both eye by some local eye specialist and then come here for checkup after two months.
